

# Lions of BC Hearing Conservation Society Committee Report

Date: February 13, 2018

Report By: Surinder Gahir, PCC

Council Chairperson Jon, fellow cabinet members, Lions, Lioness, Leos and guests, greetings.

Lions of BC Hearing Conservation Society is working very hard to provide a one of a kind service to our communities; making it easier to communicate with one another, making life a little better for those who cannot afford hearing aids.

We offer new hearing aids with a three-year warranty and batteries to clients. We offer "Refurbished" hearing aids as well.

The three hearing aid providers we have a contract with are:

NexGen Hearing

Connect Hearing

HearingLife Canada

This year we provided eighty-nine (80) Hearing Aids to deserving clients. We have made some changes to the delivery model this year and some more changes will come after discussions at our AGM in May.

Most Clubs are still collecting used hearing aids for recycling. We sort and sending them to Island Deaf & Hard of hearing Center for them to use or recycle.

My friends, we remain deeply grateful for all your help. Our web site is being updated and will be off line for a short time. For any information please send me an email at [governor.gahir@gmail.com](mailto:governor.gahir@gmail.com)

I want to thank all the Lions clubs members, District Governors, Zone Chairpersons and the Hearing Chairpersons for supporting and promoting this great organization.

Respectfully submitted.
