Seeing the Person Behind the Diagnosis – Mayday Club Youth Choir

What can you do with natural talents such as boundless energy and the ability to hyper-focus on an activity? Nicole Provost knows. Last fall, she founded a choir based in Abbotsford, B.C. made up of 34 just such talented young people ranging in age from 5 to 27. These young singers gave their first performance last fall at the Pacific Autism Centre in Richmond B.C. Since then they have performed at over 20 events around metro Vancouver.

Those of us attending in October will get to hear them sing on Saturday at the Mixed Luncheon! This upcoming performance will be a great experience for all of us!
